BUSINESS OPPORTUNITIES FROM ISRAEL

April 2019

Company Name	Mayaya (71258)
Contact Person	Initial contact to be made via the Federation of Israeli Chambers of Commerce: Ms. Yonat Keren International Relations Division Telephone: 972-3-5631020 Email: yonatk@chamber.org.il
Website	www.mayayakids.com
Year of Establishment	2015
No. of Employees	4
Offer No.	98577
Summary of offer	<i>Export/Cooperation/Representation:</i> Kids Garments

Description of Offer

The designer brand is unique and modern with an urban vibe.

Co-founded in 2016 by a former lawyer and interior designer who combined their love of children's apparel with their instinct for entrepreneurship. The designers have hit upon a winning formula for hip and athletic play clothes.

The company is internationally admired for their Boho Street wear with a strong urban sensibility. Strong graphics, muted palettes, soft cotton, and sophisticated silhouettes are the foundation of the brand, which is 100% designed and manufactured in Tel Aviv. It also offers a tiny women collection on selected styles.

Offer No.	98583
Summary of offer	<i>Import/Cooperation:</i> Steel Structures (Purchase/Lease)
<u>Description of Offer</u> We are looking for manufacturers of steel structures. It is important to us that the manufacturers will be suppliers who have already worked with Israel. Steel structures - constructions made of rods and beams, screws, plates, etc., which are connected or welded to each other according to an engineer's plan. The construction itself is designed by a building/construction engineer, who should be able to provide us with a 3-dimensional plan that we can provide to the engineer of the steel structures factory. The rods, beams, screws, etc. are then all provided according to these plans and shipped in containers.	
Potential Partners	Manufacturers and suppliers of steel structures according to the above detailed requirements.
Target Countries	Italy

Summary of offer	<i>Import: Spare Parts and Engines for Cranes</i>
<u>Description of Offer</u> Israeli company imports new and second-hand cranes and has exclusive representation for cranes manufactured by a known Spanish manufacturer and other brands in the field. The cranes have TUV approval in Europe and are approved by the Israeli Standards Institute. The company owns a large fleet and imports dozens of new and used cranes for sale and rental for major local construction companies. In addition, service is provided for its own cranes as well as those owned by contractors throughout the country; an advantage is the fact that spare parts are available from local stock. The company's professional knowledge and long term experience enables it to control and take responsibility for the quality equipment. It is now looking for additional new suppliers for spare parts and engines.	
Potential Partners	Quality suppliers of spare parts for cranes - mainly from China and Europe. Manufacturers of cranes mainly from China
Target Countries	China, Europe.
